QUALITY EUROPEAN LAMINATE FLOORING

# Your dream floor at a

Clix gives you the style and durability you want for your home, at a price you will love. Manufactured in Europe, Clix is available in three resilient and fashionable ranges.

If you're wanting that luxurious feel, take a look at the wider, longer boards in the Clix XL range. If a waterproof surface is an important feature for your floor, consider Clix Plus. Or, if you're working to a budget but still want a floor you can trust, consider the Clix range.

#### Made in Europe

- Quality finish

#### Uniclic® installation system

- Fastest and easiest installation system
- Can be walked on during and immediately after installation

#### Full accessory range

- Closely matched accessories for a beautiful finish

#### Realistic designs

- 10 fashionable and true-to-nature designs within each of the three Clix ranges

#### Low maintenance

- Easy to clean
- No oiling, resurfacing or recoating required

# real world price

Not only tough but hygienic too. The tough Clix matt surface won't hold dirt or bacteria, so provides a low maintenance floor your family can really live on.

Thinking green? You'll be happy to know that Clix is certified low emission and environmentally friendly.

With a wide range of decors, now everyone can have their dream floor.

#### Scratch resistant

- Resists scratching, marking and staining thanks to a strong, protective wear layer.

#### Family friendly

- Tough, impact-resistant surface to withstand daily wear and tear

#### Waterproof surface\*

- Protects against most household spills

#### Environmentally friendly

- Produced from sustainable materials
- Low emission

#### Pet friendly

- Muddy paws and little accidents... no problem!

\* Available only on Clix Plus. Conditions apply

Ginger Oak  
CXF00440

Clix XL exudes class and quality. The extra long and wide panels perfectly accentuate wide open spaces while the 4-sided bevel provides extra authenticity. Subtle colour variation between the planks deliver an exquisite natural effect.
