Engineered Birch Floors

Every board in the range is carefully hand crafted by our skilled craftsmen, further enhancing the style and distinct appeal. With such care and attention going into each board, it is truly a work of art.

Bekula

Flooring Collection

Inspired by today's trends of modern and contemporary décor, our Bekula range offers six new age colours from placid white to sleek grey tones, providing the stylish look of polished concrete, it's durable while still giving a warm and nurturing feel to any flooring space.

The use of Birch timber allows for little knots and grain visibility, providing a clean and contemporary finish with natural colour variation and adds warm elegance and natural charm to the floors in your home.

Accessories

Seamlessly finish your floors with Australian Select Timbers matching accessories.

We offer premium solid timber scotia to conceal expansion gaps, as well as matching stair nosings to complete your stairs.

Available in all 6 stunning colours to perfectly match the Bekula range of flooring.

Burnt Umber

Take care of your floor

- Dry cleaning of the floor should be carried out regularly to remove loose dirt, grit and dust. Use a Dusting pad or soft broom. If vacuum cleaning, the cleaning head must have a soft brush so as to not damage the floor.
- Use a Spray Mop with Wood Floor Cleaner to clean the floor surface when required; dry clean the floor first. Do not 'wet' mop the floor anytime as excessive amounts of water may cause damage.
- Please refer to our Bekula care and maintenance guide for more information www.asttimbers.com.au/downloads.
