Featured photographs are printed reproductions and should only be used as a guide, indication, or point of reference. Before making a purchasing decision always inspect actual samples at your nearest retailer. Colour and appearance can vary. Whilst every effort is taken to ensure the information presented is accurate and free from error, it is possible that some data may change without notice.

Specifications are subject to manufacturing tolerances and may be changed without prior notice. \* Please refer to our website [www.cleverchoice.com.au](http://www.cleverchoice.com.au) for warranty terms and conditions, product installation guidelines, care and maintenance guides, or to download product test reports. These documents are also available from your place of purchase.

Australian Timbers are a natural product. You will expect high colour and grain variation between photographs, samples, boards and batches. No two boards are the same. These natural variations, features and characteristics are what truly makes timber floors unique and master artworks for your home.
